Unshakeable

Scripture: Hebrews 12:27 - The words “once more” indicate the removing of what can be shaken—that is, created things—so that what cannot be shaken may remain.

Observation: The writer is stating that we as Christians and believers must choose to eliminate ungodly things from our lives and focus on things eternal.

Application/Analysis: We all have choices and we make them everyday both consciously and unconsciously. They are simple choices like which shoes to wear or which path to drive and they are complex like do I want to sleep with this person or do I want to take this pill. Either way, the point is you and I get to decide most everything that we encounter. This also means that we get the pleasure or persecution behind our choices. If we sleep with that person, maybe it defiles our marriage vows. If we take that pill, maybe we submit to addiction or just the distraction from doing what God would otherwise place on our hearts. Scripture advises us to be unshakeable when it comes to living a Godly life in the sense of unrepentant sin or habitual sin. Absolutely, we will all fall short even on a daily basis (Rom 3:23), but that is different than waking up today and already knowing that I have plans to look away from my faith at 2pm and allow my flesh to be fed by things that serve me and will not last. We need to be steadfast in our purpose and seek the unshakeable will of God, doing the things that will only satisfy and will never perish no matter the challenge or circumstance. Our choices are our investment and that investment will produce a return. Will it be shakeable and therefore perishable or will it be unshakeable and lasting?

Prayer: Father, thank you for your word and blessings all of which are everlasting and good for us. Help us to make choices that will sustain our walk and produce unshakeable benefits to you and us. In Jesus name - AMEN!

Takeaway - It's always about our choices. Choose wisely, choose Godly, choose everlasting. Everything else will not satisfy or last.
